Declaration of Conformity

Date of declaration: **November 10, 2008**

We hereby certify that all products supplied by AMETEK Process Instruments conform to the EU Battery Directive 2006/66/EC. The batteries in these products do not contain mercury or cadmium. These products and their instruction manuals include markings and instructions for recycling of batteries in accordance with the directive. AMETEK PIBU will take back any batteries that the end-user cannot recycle through local recyclers.

A handwritten signature in black ink, appearing to read "Tony DiMatteo", is written over a horizontal line.
